Action Request - Oppose SB235, The Seat Belt Bill

April 5, 2011

Senate Bill 235 is before the Transportation Committee and is referred to as the "seat belt" bill. I think we can all agree that it is a good idea before driving to buckle your seat belt and be sure that your passengers do likewise! However, this Bill would make not wearing a seat belt a primary offense rather than a secondary offense as it is at present. If the bill is a primary offense, a police officer can stop you to see if you wearing your seat belt. SB235 is not about safety, but another way to get federal funds...with federal strings attached!

Senator Elizabeth Halseth is opposing this bill and she needs our support. Please call or email her and all the other committee members to let them know that we vote oppose SB235. The committee members and their phone numbers are:

Chairman Shirley Breeden (775-684-1457); Senators; Michael Schneider (VC) (775-684-6502), John Lee (702-647-3550), Mark Manendo (775-684-6503), Elizabeth Halseth (775-684-1421), Michael McGinness (775-684-1442), and Dean Rhoads (775-684-1447).
